Effective Date

Subsequent to approval of this amended Citizen Participation Plan by the City Commission and HUD, the Plan shall be effective until it is amended or otherwise replaced.

B. Encouragement of Citizen Participation

General

The City provides for and encourages citizens to participate in the development, revision, amendment, adoption and implementation of the Citizen Participation Plan, the Analysis of Impediments to Fair Housing Choice, the Consolidated Plan, the Annual Action Plan, and the CAPER. The City encourages participation by low- and moderate-income persons, particularly those living in areas designated as revitalization areas or in slum and blighted areas and in areas where HUD funds are proposed to be used, and by residents of predominantly low- and moderate- income neighborhoods. With respect to the public participation initiatives included in this Plan, the City will take appropriate actions to encourage the participation of all its citizens, including minorities, non-English speaking persons, and persons with disabilities, as described below.

Non-English Speakers

Where a significant number of non-English speaking residents can be reasonably expected to participate in a public meeting, an interpreter will be provided upon written request to the City of Brunswick, no later than 48 weekday hours prior to the day of a public meeting.

To encourage these residents to participate in the development of the Analysis of Impediments and the Consolidated Plan, the City will undertake the following initiatives in addition to publishing advertisements in Brunswick News for these activities:

- At least one stakeholder interview or focus group session will be scheduled during the stakeholder consultation processes for each and will focus on persons with limited English proficiency, and
- The City will provide an alternative version in specified language of meeting agendas, handouts and surveys at meetings and stakeholder interviews conducted for each planning process.

Persons with Disabilities

Persons with disabilities requiring special accommodations to participate in Public Hearings should call the City of Brunswick, at 912-267-5530, within 48 weekday hours of a meeting. The City will conduct all public meetings in locations that are handicapped-accessible, when available.

If requested, the City will mail copies of public meeting notices to persons who are homebound and request such accommodation no less than seven days prior to the public meeting.

Low- and Moderate-Income Persons

The City will conduct at least one public meeting in a neighborhood that contains at least 51% low- and moderate-income residents, based on current HUD data, during the development of the Analysis of Impediments, the Consolidated Plan, and the Annual Action Plan.

Organizations and Agencies

The City encourages the participation of local and regional institutions, the Continuum of Care, businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations in the process of developing, revising, amending, adopting, and implementing all documents covered by this Plan. This will be achieved through stakeholder interviews, focus groups, and/or public meetings.

Local Public Housing Authority

The City encourages, in consultation with the Brunswick Housing Authority, the participation of residents of any public housing developments located within the City, in the process of developing, revising, amending, adopting, and implementing the documents covered by this Plan.

The City encourages participation by resident advisory boards and resident Commissions of the Brunswick Housing Authority. This will be carried out by providing to Brunswick Housing Authority information on public meetings, surveys and other outreach initiatives related to the documents covered by this Plan.

Public Notices

Public review/comment periods and public hearings held in the process of developing, revising, amending, adopting, and implementing the documents covered by this Plan shall be advertised in The Brunswick News no less than seven days before the public review and comment period commences or the public hearing is held.

Public Meetings

All public meetings will be scheduled at times and locations that are convenient for potential and actual program beneficiaries, and with accommodation for persons with disabilities and non-English speakers in accordance with this Plan. In the event of a disaster, pandemic or to the extent in person meetings are not feasible, meetings will take place electronically and promoted through the City’s website and social media. An elected representative of the governing body must be present physically or via phone and/or computer in the occurrence of public meeting held electronically. In order to provide reasonable accommodations for non-English speakers and persons with disabilities who access hearings through electronic media a follow up hearing will be held electronically in their language and/or transcribed script suitable in accordance with language and/or disability will be provided.
